

Ogden City School District
Homeless Complaint Resolution Procedure

While a dispute regarding a child or youth's homeless status or right to service is being resolved, the child(ren) in question must be enrolled in school and transportation provided, if necessary. Enrolled is defined as attending classes and participating fully in school activities. If the dispute is concerning the school of best interest, the child must be enrolled in the school of residence (where the child is sleeping at night) unless arrangements are already implemented to allow the child to attend the school of origin.

If a dispute regarding a homeless child's educational rights occurs, every effort will be made to resolve the complaint or dispute at the local level before it is brought to the Utah State Office of Education.

It is the responsibility of the personnel in the school or district of residence to inform the complainant of the Complaint Resolution Procedures.

1. If a question concerning the education of homeless child/youth arises, the first person to be contacted in the school district is the Homeless Liaison.
2. The Homeless Liaison must refer the family to sources of advocacy services. The parent/guardian may bring an advocate to the meeting.
3. The complaint will discuss with the Liaison. If the Liaison believes the complaint is justified, the complainant shall present it in writing and discuss it again with the Liaison.
4. Include in the complaint: (see Homeless Complaint Resolution Form)

 - b. the name(s) and age(s) of the children involved
 - c. the name(s) of involved school district personnel and the district they represent
 - d. a description of attempts that were made to solve the issue at the local level
5. The Homeless Liaison will present a proposed resolution or plan of action to the complainant and the district superintendent within five working days from the date of the written complaint.
6. If the complaint is not resolved at this level within five working days, it may taken to the district superintendent. In addition to presenting the written complaint, ask for an appointment to see the superintendent to discuss the complaint. Within five days of the meeting, the superintendent shall provide the complainant with a written resolution.
7. If the complaint not resolved in satisfactory manner at the local level, the complaint may be brought to the State Office of Education. Complaints made under this process must be made in writing and signed by the complainant. The local Homeless Liaison shall assist the complainant in compiling necessary documentation. Include all written correspondence and address the complaint to:
